

Danish
Cardiovascular
Academy

DCAcademy Winter Meeting 2023

- Participants:** Postdoctoral Fellows & third- year PhD students
- Time:** 7 -10 March 2023
- Place:** Isaberg, Höganloft, Sweden
- Course fee:** The course is free of charge
- Note:** 23 February: Pre-meeting webinar on presentation & feedback (obligatory)

PROGRAMME

Tuesday 7 March

Bus trip to Isaberg	Departure:	Aarhus	06.30
		Odense	09.00
		Copenhagen	11.30

Session I

Communicating Science

Chair: Prof. Christian Aalkjær, Prof. Gunnar Gislason, Prof. Ebbe Bødtker

15:30	16:30	Arrival and check in
16.30	17.15	Keynote: Because I say so - why scientists need to engage in the public debate Speaker: <i>Stinus Lindgreen, PhD, politician, Member of Regional Council, RH, Former member of the Danish Parliament, for the party - Radikale Venstre</i>
17.15	18:00	Working with the media <i>Jacob Mouritsen, Journalist at the Danish Heart Foundation</i>
18.00	18.30	Time for Challenge Work
18.30	20.00	Dinner with challenge group
20:00	20:45	Accidental hypothermia, from pigs to patients <i>Drinks and evening lecture with Dr. Benedict Kjærgaard, AUH</i>

Wednesday 8 March

07:30	08:30	Breakfast
08:30	08:45	Welcome + meet your table fellows
Session II Navigating a new research agenda Moderators: Postdoc. Maren Schrölkamp, KU & Postdoc. Catherine Williams (AU)		
08:45	08:55	Flash Talk 1: User Science in clinical research Speaker: TBA
08:55	09:05	Flash Talk 2: Patient Science <i>Prof. Maria Kristiansen, Professor, Deputy Head of Department, Public Health, UCPH</i>
09:05	09:15	Flash Talk 3: Funding perspective <i>Research Director, Prof. Gunnar Gislason, Danish Heart Foundation</i>
09:15	09:25	Flash Talk 4: The Basic perspective / Science for knowledge <i>Prof. Ebbe Bødtkjær, AU</i>
09:30	10:15	Debate: Where is the use of the patient or citizen most productive?
10:15	10:30	Break, snacks & coffee
10:30	12:00	Time for Challenge Work
12:00	12:30	Lunch
12.30	14,45	Free time & networking (skiing, badstuga)
Session III Physiological experiments Chairs: Postdoc. Ulrik Winning (KU), Assoc. Prof. Peter Agger, PhD-student Jakob Hartmann.		
15:00	5 min	Reflex control the circulation during exercise <i>Prof. Paul Fadel PhD, Department of Kinesiology, The University of Texas at Arlington, Texas</i>
	5 min	Regulation of contracting muscle blood flow <i>Assoc. Prof. Lasse Gliemann, UCPH</i>
	5 min	Impact of autonomic dysfunction on central hemodynamics <i>Prof. Scott A Smith, Vice Dean for Research, UT Southwestern, Dallas, Texas.</i>
	5 min	Environmental impact on cardiovascular regulation: heat vs. cold stressors <i>Prof. Benedict Kjærgaard, AUH</i>
15:20	17:45	Experiments in groups
17:45	18:00	Break

18:00	19:00	Oral presentations - Parallel sessions
19:00	20:00	Dinner
20:00	21:00	Drinks, evaluation and group presentations of experiments

Thursday 9 March

07:30	08:30	Breakfast
08:30	09:30	Oral presentations - Parallel sessions
09:30	09:45	Break
Session IV Scientific session Inflammation and blood vessels Chair: Prof. Ebbe Bødtkjer, AU		
09:45	10:30	Importance of inflammation in cardiovascular diseases Postdoc. Flavia Rezende, Frankfurt University
10:30	11:15	Atherosclerosis & Inflammation Maria Johansson, researcher, Göteborg University
11:15	12:00	Time for Challenge Work
12:00		Grab N' Go lunch
12:00	15:00	Networking activities (skiing, badstuga, hiking)
15:00	16:00	Oral presentations - Parallel sessions
16:00	16:15	Break
Session V What makes a good grant proposal? Chair: Assoc. Prof. Peter Agger, AU, Postdoc. Jonas Isakson, KU, Postdoc. Ulrich Winning, KU		
16:15	17:45	Panel debate Topic 1: Level of detail in applications Topic 2: The applicant vs. the project Topic 3: Common denominators of the good grant proposals Q&A: Topics in grant proposals

18:00	19:00	Time for Challenge Work
19:00	21:00	Dinner
21:00		Chill or visit the floating badstuga (sauna)

Friday 10 March

07:30	08.30	Breakfast & check-out
08:30	09:00	Welcome & reflection exercise
Session VI New drugs in treatment of cardiovascular diseases Chair: Prof. Christian Aalkjær, AU		
09:00	09:45	SGLT-2 Prof. Caroline Michaela Kistorp, UCPH
09:45	10:30	GLP1 Prof. Bjørn Richelsen, AUH
10:30	10:45	Break
10:45	11:15	Oral presentations - Parallel sessions
Session VII Closing Session Challenge presentations		
11:15	12:00	Closing Session - Present learnings from Challenge (Group 1-4)
12:00	13:00	Lunch - Walk & Talk
13:00	14:00	Closing session - Present learnings from Challenge (Group 5-8) + DCA Wrap up
14:30		Departure

Bus trip return 10 March 2023

	Arrival
Copenhagen	18.00
Odense	20.00
Aarhus	22.00
